Permanent hair reduction, elimination of pigmentation, removal of vascular lesions (red veins), skin rejuvenation, acne reduction.

Please ask for separate price list.

DermaPen Treatment

Advanced vertical skin needling promotes scarless healing and the deposition of normal woven collagen. Unlike traditional skin needling rollers, the Dermapen causes less trauma and minimal epidermal damage, therefore reducing pain and discomfort. The Dermapen is gently glided over the skin, microscopic puncture

channels are light stamped into the skins matrix stimulating and inflammatory response. This promotes renewal, repair and rejuvenation through natural growth factors that are released. Dermapen is recommended to treat wrinkles, pigmentation, acne scarring, large pores and other skin imperfections.

Face	75mins/\$250
Face & Neck or Face & Décolleté	90mins/ \$270
